Asst.Professor,CSE Dept.

M.S.Bidve Enginerring College,

Latur- 413512

Subject: Invitation   as a Resource Person for conducting a expert session on "OOP using JAVA".

Dear Sir,

     With reference to the subject cited above, we are planning to organize a guidance session on **"Object Oriented Programming using JAVA"** for the students on 03/09/2022, Time:12 to 1:30pm. This session is being organized by Computer Science & Engineering department, M.S.Bidve Engineering College, Latur

     In this regard, we request you to accept our invitation as a Resource Person for this session **on 03/09/2022.**

With warm regards,

Prof.S.R.Tandle
Head, CSE Dept.

Received

Title of Event: Expert Lecture: Special Programming Lecture on (OOP with Java)

Date: 03/09/2022

Time: 12 to 1.30 PM

Venue: B.Tech (CSE) Classroom

Detailed Information:

    To enrich the academic experience and broaden student knowledge, the college (CSE Department) arranged an expert lecture by a prominent figure in the field of **[OOP with Java]**. The lecture delved into **[Prof. S.R. Tandle]**, providing students with valuable insights and fostering critical thinking. This initiative aimed to bridge the gap between theoretical knowledge and practical applications, preparing students for future endeavors in **[OOP with Java]**.

One Day Workshop on

"Artificial Intelligence and Machine Learning "

Organized by

Electronics Department

Date: 03/10/2022   **Number of Students** :40

Location: Classroom 215 , Electronics Department.

As the digital communication era is moving towards advances of artificial intelligence and machine learning, department organised a one day workshop on the same. An expert Prof.Ravi Randale from VDF college of Engineering was invited as the speaker. Prof Randale sir explained basics of machine learning and how applications can be build using artificial intelligence. Students were happy to be aware of the new advances in communication.

Objectives

1. **Basics of Machine Learning.**
2. **Basics of Artificial Intelligence.**
3. **Applications based on Artificial Intelligence.**
4. **Career in Machine learning and Artificial intelligence.**

- **Summary:**
  - Students of all classes from 3rd year participated actively and interacted with the speaker . Also they took some necessary tips and noted it. Even he guided how to and where from to prepare for various course related to ML and AI.

Subject: Letter of thanks for expert lecture on "Career guidance on AI & ML".

Respected sir,

I on behalf of our department would like to mention deep sense of appreciation for expert lecture on, "Career guidance" on date 03 Oct 2022 .in our institute. The efforts, guidance and time spent by you for the students are very much admirable. We feel proud on you as a Alumni of our college and career guide to our students Technical knowledge sharing from your side will be helpful for students to cope with recent techniques.

I express sincere gratitude for your cooperation and expecting the same interaction in future also.

Thanking you.

HOD
EC Dept.
M.S.Bidve Engineering College
Latur

Acknowledgement:

Department is thankful to Prof. Randale sir for his valuable contribution and knowledgeable insights in the field of Artificial Intelligence and Machine Learning.

Summary Report for NAAC on MoU between
GTT Foundation and M.S.Bidve Engineering College, Latur

Introduction:

This report summarizes the one-year Memorandum of Understanding (MoU) established on September 19, 2022, between GTT Foundation, Pune (Training and Placement Organization), and M.S.Bidve Engineering College, Latur (Institute). The MoU focused on enhancing student employability through aptitude training, future skill development, internship opportunities, and leveraging Corporate Social Responsibility (CSR) initiatives.

MoU Objectives:

The MoU aimed to achieve the following:

- Equip students with essential aptitude skills to excel in placement tests.
- Develop future-oriented technical skills sought after by the industry.
- Facilitate industry internships for practical work experience.
- Leverage GTT Foundation's network and CSR programs to connect students with potential employers.

Outcomes:

GTT Foundation successfully delivered the following within the MoU timeframe:

- **Offline Training Programs:**
  - Java Developer + Aptitude: 163 students participated.
  - Python + Aptitude: 154 students participated.
- **Internship and Placement Facilitation:** 32 Mechanical Engineering students secured internships at Yazaki India Ltd. through GTT Foundation's support.

Overall Performance:

The MoU between GTT Foundation and M.S.Bidve Engineering College has demonstrably benefited students by:

- Strengthening their aptitude for placement tests.
- Equipping them with in-demand technical skills (Java and Python).
- Providing valuable internship experience at Yazaki India Ltd. (for Mechanical Engineering students).

Conclusion:

This successful collaboration between GTT Foundation and M.S.Bidve Engineering College has significantly enhanced student employability. Both parties have fulfilled their obligations under the MoU, resulting in positive outcomes for the students.

COLLEGE, LATUR

Title of Event: ATOS GTT Training Program (Domain + Aptitute)

Date: 31-10-2022 t 06/11/2022

Time: 11 to 2 PM

Venue: B.Tech (CSE) Classroom

Detailed Information:

The ATOS Global Talent Track (GTT) Training Program is a comprehensive initiative aimed at enhancing the employability of students by equipping them with necessary domain-specific knowledge and aptitude skills. This program is aligned with the criteria and objectives of the National Assessment and Accreditation Council (NAAC) to improve the quality of education and training provided by educational institutions.

Objectives

- To bridge the gap between academic learning and industry requirements.
- To enhance students' domain knowledge and technical skills.
- To improve students' problem-solving abilities and aptitude.
- To prepare students for competitive examinations and interviews.

Structure of the Program

The ATOS GTT Training Program consists of two primary components:

1. **Domain Training**: Focused on specific industry sectors such as IT, Finance, Engineering, etc.
2. **Aptitude Training**: Concentrated on improving logical reasoning, quantitative aptitude, and verbal ability.

Domain Training

- **Content**: The domain training covers key concepts, tools, and technologies relevant to the respective industry. For example, IT domain training includes programming languages, software development methodologies, database management, and cybersecurity.
- **Methodology**: The training is delivered through a combination of lectures, hands-on sessions, case studies, and project work. Industry experts and experienced trainers lead the sessions.
- **Assessment**: Students are evaluated through periodic tests, project evaluations, and practical assessments to ensure a thorough understanding of the subject matter.

Aptitude Training

- **Content**: The aptitude training includes modules on logical reasoning, quantitative aptitude, data interpretation, and verbal ability. It also covers test-taking strategies and time management skills.
- **Methodology**: Interactive sessions, practice tests, and group discussions are employed to enhance learning. Emphasis is placed on solving real-world problems and mock tests to simulate actual exam conditions.
- **Assessment**: Regular quizzes and mock tests are conducted to track progress and identify areas for improvement. Feedback sessions help students to work on their weaknesses.

Program Outcomes

- **Enhanced Employability**: Students gain practical skills and knowledge that are directly applicable to their chosen careers, making them more attractive to potential employers.
- **Improved Aptitude Skills**: The training significantly boosts students' problem-solving abilities, logical reasoning, and analytical skills, which are critical for success in competitive exams and job interviews.
- **Industry Readiness**: By aligning training content with industry requirements, students are better prepared to meet the demands of their respective sectors.
- **Higher Placement Rates**: Institutions that have implemented the ATOS GTT Training Program have reported higher placement rates and improved performance in campus recruitment drives.

Feedback and Evaluation

- **Student Feedback**: Regular feedback is collected from participants to continuously improve the program. Students have consistently rated the program highly for its practical relevance and comprehensive coverage.
- **Institutional Feedback**: Colleges and universities have praised the program for its role in enhancing the quality of education and increasing student employability.
- **Continuous Improvement**: Based on feedback, the program is periodically updated to include new technologies, tools, and methodologies to stay relevant with industry trends.

Report

On

"One-Month Training on Front End Development"

Conducted by: Wagh Arpita, Software Engineer at Beaming IT Solutions LLP, Pune.

Date: 12th January 2023 to 16th February 2023.

Location: Seminar hall, Department of Information Technology, M.S. Bidve Engineering College, Latur

---

1. Introduction

From 12th January 2023 to 16th February 2023, the Information Technology Department of M.S. Bidve Engineering College in Latur hosted a comprehensive one-month training program on Front End Development. This training was conducted by Ms. Wagh Arpita, a proficient Software Engineer from Beaming IT Solutions LLP, Pune. The program was meticulously designed to provide students with an in-depth understanding and hands-on experience in essential front end technologies, including Bootstrap, JavaScript, ECMAScript 6 (Advanced JavaScript), and React.js.

2. Training Objectives

The primary objectives of the training were:

- To introduce and reinforce the fundamentals of modern front end development.
- To provide hands-on experience with Bootstrap, JavaScript, ECMAScript 6, and React.js.
- To enable students to build interactive, responsive, and efficient web applications.
- To enhance problem-solving skills and coding proficiency through practical projects.

Invitation letter

To

Wagh Arpita

Beaming IT solutions LLP,

Software Engineer I, Latur.
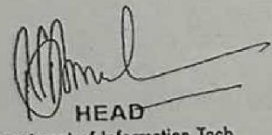

Subject: Invitation for Briefing technical sessions on Awareness of trends in technology.

Respected Mam

With reference to the above mentioned subject, I the undersigned would like to invite you as an expert to deliver technical sessions on Awareness of trends in technology. The session is planned on 12/01/2023 To 12/02/2023.

This will be helpful for our students so as to enhance their knowledge regarding the same.

Received A.WAGH.
Wagh Arpita M.

4. Course Structure and Content

The training program was structured over five weeks, each focusing on different technologies and their practical applications.

Week 1: Introduction to Bootstrap

- **Bootstrap Basics:** Understanding the Bootstrap framework, grid system, and responsive design principles.
- **Components and Utilities:** Utilizing Bootstrap components such as navbars, forms, buttons, and various utilities for styling.
- **Customizing Bootstrap:** Techniques for overriding Bootstrap styles with custom CSS and SASS for unique design requirements.

Week 2: JavaScript Essentials

- **JavaScript Fundamentals:** Introduction to variables, data types, operators, and control structures.
- **DOM Manipulation:** Techniques for selecting and manipulating HTML elements, and handling events.
- **Advanced JavaScript Concepts:** Exploring functions, objects, arrays, and an introduction to ES6 features.

Week 3: ECMAScript 6 (Advanced JavaScript)

- **ES6 Syntax and Features:** Introduction to let and const, arrow functions, template literals, and destructuring.
- **Modules and Classes:** Learning about import/export modules, class syntax, and inheritance in ES6.
- **Advanced Topics:** Understanding promises, async/await, and working with APIs for dynamic content.

Week 4: Introduction to React.js

- **React Basics:** Understanding JSX, components, props, and state management in React.
- **Component Lifecycle:** Exploring the lifecycle methods of React components, including mounting, updating, and unmounting.
- **React Router:** Implementing navigation and routing in React applications to create single-page applications.

Week 5: Project Work and Finalization

- **Project Planning:** Designing and planning a comprehensive front end project using Bootstrap, JavaScript, and React.js.
- **Implementation:** Building the project with guided support, integrating all the learned technologies.
- **Review and Presentation:** Presenting the final project, receiving feedback, and discussing improvements and learnings.

Follow on Instagram @code.scripters.19
Contact – Arpita Wagh 8605628251

Front End Development

Course Content (Duration – 60 Days)

Bootstrap:

Importance of Framework, Use of Bootstrap, Typography Classes, Margin and Padding Classes and all other classes of Bootstrap.

JavaScript:

Features of JavaScript, Functions, Variables, Operators, Data Types, Comments, Promises, Events, Strings, String Methods, Arrays, Array Methods, Conditional Statements, Loops, Best Practices.

EcmaScript6 (Advanced JavaScript)

Arrow Functions, Classes, Variables (let, const and var), Ternary Operator, Spread Operator, Rest Parameters, Destructuring, Array Methods (Map Function).

React.js

Installation, create new react project, JSX, Components and Props, State and Lifecycle, Lists and Keys, Forms, Rendering Elements, Conditional Rendering, Hooks, API reference, Testing.

Note:

- All the points in above course content contain more sub points and all the sub points will be covered during course and practical.
- The course contains everyday tasks, code snippets, interview preparation and website building.
- 20+ projects will be covered during course and one major project will be developed under guidance.

In case of any queries contact @ Arpita Wagh – 8605628251

For WhatsApp contact use same above mobile no.

4. Methodology

The training program adopted an interactive and hands-on approach, combining theoretical lessons with practical exercises. Key methodologies included:

- **Interactive Lectures:** In-depth explanations of concepts complemented by real-world examples and discussions.
- **Hands-On Coding Sessions:** Practical coding exercises where students implemented concepts in real-time.
- **Assignments and Quizzes:** Regular assignments and quizzes to reinforce learning and assess understanding.
- **Project Development:** A capstone project that allowed students to apply all learned skills cohesively.
- **Q&A Sessions:** Dedicated sessions for addressing student queries and providing clarifications.

7. Outcomes and Achievements

By the end of the training program, students had achieved:

- **Proficiency in Bootstrap:** Ability to create responsive and visually appealing web pages using the Bootstrap framework.
- **Advanced JavaScript Skills:** In-depth understanding of JavaScript, including ES6 features, enabling more efficient and modern coding practices.
- **Competency in React.js:** Skills to build dynamic and interactive web applications using React.js, including state management and routing.
- **Completed Projects:** Successful development and presentation of functional web application projects, showcasing their acquired skills.
- **Enhanced Coding Abilities:** Improved problem-solving, debugging, and overall coding efficiency through practical exercises and project work.

7. Feedback and Testimonials

The training was met with positive feedback from participants, who appreciated the comprehensive coverage, practical focus, and the engaging teaching style of Ms. Wagh Arpita. Some testimonials included:

- *"The training provided an excellent foundation in front end development technologies. I feel much more confident in my skills now."*
- *"Ms. Arpita's expertise and approachable teaching style made even complex topics easy to understand."*
- *"The hands-on project was incredibly valuable, allowing me to apply what I learned in a real-world scenario."*

7. Conclusion

The one-month training on Front End Development conducted by Ms. Wagh Arpita at the Information Technology Department of M.S. Bidve Engineering College, Latur, was a significant success. It equipped students with essential front end development skills and practical experience, preparing them for future endeavors in the field of web development. The program's structured approach, interactive teaching, and hands-on project work ensured that participants could confidently develop and maintain modern web applications.

Acknowledgments

We extend our gratitude to Ms. Wagh Arpita for her dedication and expertise, and to Beaming IT Solutions LLP for supporting this training initiative. Special thanks to the administration and staff of M.S. Bidve Engineering College for their cooperation and support in organizing the event.
