

1. National Intellectual Property Awareness Mission

Summary Report on the National Intellectual Property Awareness Mission (NIPAM)

Event Conducted on: 27 July, 2022

Timing: 10:30 am To 11:45am

Venue: Function Hall M. S. Bidve Engineering College Latur.

Introduction

The National Intellectual Property Awareness Mission (NIPAM) is a key initiative by the Government of India aimed at spreading awareness and understanding of intellectual property (IP) rights across the nation. This mission is aligned with the broader goals of fostering innovation, creativity, and economic growth by educating various stakeholders on the importance of IP and the means to protect and leverage it effectively.

Objectives

NIPAM seeks to:

1. Educate and create awareness about intellectual property rights (IPR) among students, teachers, and professionals.
2. Promote the culture of innovation and creativity, leading to the generation of new IP.
3. Provide guidance on IP protection and its commercial implications.
4. Strengthen the IP ecosystem in India by involving educational institutions, industries, and research organizations.

Target Audience

The mission primarily targets:

1. Students in schools, colleges, and universities.
2. Teachers and educators across educational institutions.
3. Industry professionals and budding entrepreneurs.
4. Researchers and inventors in various fields.

Key Components

1. **Workshops and Seminars:** Organizing training sessions, workshops, and seminars to impart knowledge about various aspects of IP, including patents, trademarks, copyrights, and designs.
2. **Educational Materials:** Developing and distributing educational materials such as brochures, booklets, and online resources that provide comprehensive information on IP rights and processes.
3. **Collaborations:** Partnering with educational institutions, industry bodies, and research organizations to reach a wider audience and ensure the effective dissemination of information.
4. **Online Resources:** Utilizing digital platforms to offer courses, webinars, and interactive sessions on IP awareness.
5. **Contests and Competitions:** Encouraging innovation through contests and competitions that stimulate creative thinking and problem-solving among students.

Achievements

Since its inception, NIPAM has achieved significant milestones:

1. **Outreach:** Conducted numerous workshops and seminars across various states, reaching thousands of students and professionals.
2. **Capacity Building:** Trained a large number of teachers and professionals who can further spread awareness in their respective domains.
3. **Resource Development:** Created a repository of educational resources that are accessible to a broad audience.
4. **Collaborations:** Established partnerships with leading academic institutions and industry bodies to enhance the impact of the mission.
5. **Increased IP Filings:** Contributed to a noticeable increase in the number of IP filings in India, reflecting a growing awareness and understanding of the importance of IP protection.

Challenges

Despite its successes, NIPAM faces certain challenges:

1. **Geographical Reach:** Ensuring comprehensive coverage across all regions, especially remote and rural areas.
2. **Sustained Engagement:** Maintaining ongoing engagement with stakeholders to ensure continuous learning and application of IP knowledge.
3. **Resource Allocation:** Ensuring adequate resources and funding to support the various activities under the mission.

Future Directions

To further enhance the effectiveness of NIPAM, the following steps are proposed:

1. **Enhanced Digital Outreach:** Leveraging technology to conduct virtual sessions and expand the reach of IP awareness programs.
2. **Inclusive Programs:** Designing programs tailored for specific groups such as women entrepreneurs, start-ups, and rural innovators.
3. **Regular Assessments:** Conducting regular assessments to measure the impact of the mission and make necessary adjustments.
4. **Global Collaborations:** Engaging with international IP bodies and learning from global best practices to improve the mission's framework and execution.

Conclusion

The National Intellectual Property Awareness Mission is a pivotal initiative that contributes to building a robust IP ecosystem in India. By fostering awareness and understanding of intellectual property rights, NIPAM plays a crucial role in driving innovation, protecting creators' rights, and promoting economic growth. Continued efforts and strategic enhancements will further strengthen the mission's impact, ensuring that India remains at the forefront of innovation and intellectual property protection.

CERTIFICATE OF APPRECIATION

Presented to

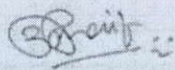

M. S. BIDVE ENGINEERING COLLEGE, LATUR

*In recognition of active participation in the **National Intellectual Property Awareness Mission (NIPAM)** launched by the Government of India on the occasion of the 75th anniversary of independence under the banner "Azadi Ka Amrit Mahotsav" to create widespread awareness on Intellectual Property Rights (IPR). The exceptional contribution in successfully organizing the awareness programme on **July 27, 2022** in association with **Intellectual Property Office, Mumbai** by providing your valuable time and support is highly appreciated.*

Solicit your continued support for outreach of IPR far and wide.

Date: July 30, 2022

One Day Seminar on

“Career Guidance ”

Organized by

Electronics Department

Date: 09/04/2022

Number of Students :150

Location: Function Hall , Electronics Department.

Taking into consideration importance of higher education like MBA, MS etc., a seminar was organised by the electronics department wherein Mr Manoj C Patil from Career forum was invited to give the inputs on higher education and preparation for the same. Mr Patil sir explained necessary topics to be covered for entrance preparation and how to prepare the same. All the students from 2nd year ,3rd year and final year attended the seminar. Students were happy to be aware of such possibilities and prepthe new advances in communication.

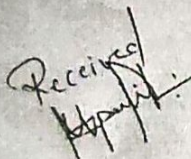

Objectives

1. Various MBA courses.
2. Aptitude Topics and Preparation.
3. General Awareness.
4. Placements after MBA and MS.

Summary:

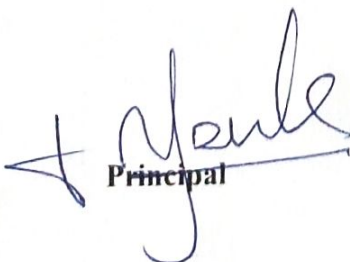

- Students of all classes participated actively and interacted with the speaker . Also they took some necessary tips and noted it. Even he guided how to and where from to prepare for various course related to MBA and MS.

Mr. Manoj Patil,
Director
Career Forum
Latur-413512
Dear Sir,
I am expressing my sincere gratitude for your guest lecture at our facility. Your in-depth knowledge and insight on the subject of Career guidance left a profound impression on our staff and participants, and the clarity with which you shared your knowledge was commendable.
I am sure the information that you shared will assist our students in future. Your contribution to our educational endeavor is profoundly appreciated.
I wish you all the best in your ongoing work and look forward to potential future collaboration.

Regards
HOD Electronics Department

Acknowledgement:

Department is thankful to Mr. Manoj Patil sir for his valuable contribution and knowledgeable insights in the field of Career Development through higher education.

Training Program on “VLSI Design & Simulation Using EDA tool”

**Organized by
Electronics department**

Date: From 29/09/2022 to 18/10/2022. **No. of students:** 36

Mode of Conduction: Online Mode (Lab was made available for Students), Electronics Department.

The training program was scheduled for final year students taking into consideration the importance of VLSI design in the industry. The workshop aimed to train the students in VLSI domain and impart practical knowledge. This workshop was conducted by the Edusphere System Pune. This company has done intensive and extensive research on VLSI so far. Certificates were issued by the Edusphere Systems to the registered students

Objectives:

1. **Basic Technical Knowledge:** Basic knowledge of VLSI design.
2. **To provide insights for EDA tools:** Fundamentals of EDA tools and simulation.
3. **Hands On Training:** Students should be practically perfect to design various circuits of VLSI.

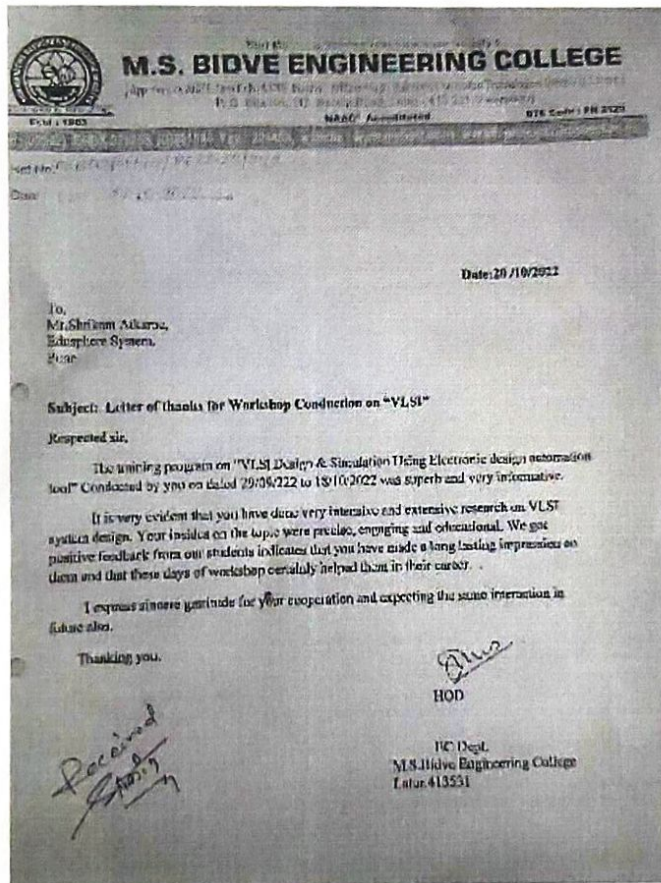

Course Content:

- Introduction to ASIC Design and MOS transistors.
- MOS Layers and Stick Diagrams
- Design Rules and Layout
- Scaling of MOS Circuits
- Memory, Registers and Aspects of System Timing
- Hands on Training using EDA tools

Summary:

- Students were happy to know the insights of VLSI design and did the simulation keenly which would help them in their career. Also the contents covered were in depth leading to the fulfilment of all objectives.

One Day Workshop on “Artificial Intelligence and Machine Learning”

Organized by
Electronics Department

Date: 03/10/2022

Number of Students :40

Location: Classroom 215 , Electronics Department.

As the digital communication era is moving towards advances of artificial intelligence and machine learning, department organised a one day workshop on the same. An expert Prof.Ravi Randale from VDF college of Engineering was invited as the speaker. Prof Randale sir explained basics of machine learning and how applications can be build using artificial intelligence. Students were happy to be aware of the new advances in communication.

Objectives

1. Basics of Machine Learning.
2. Basics of Artificial Intelligence.
3. Applications based on Artificial Intelligence.
4. Career in Machine learning and Artificial intelligence.

• Summary:

- Students of all classes from 3rd year participated actively and interacted with the speaker . Also they took some necessary tips and noted it. Even he guided how to and where from to prepare for various course related to ML and AI.

5. Career Guidance By Ravi Randale

Subject: Letter of thanks for expert lecture on "Career guidance on AI & ML".

Respected sir,

I on behalf of our department would like to mention deep sense of appreciation for expert lecture on, "Career guidance" on date 03 Oct 2022 in our institute. The efforts, guidance and time spent by you for the students are very much admirable. We feel proud on you as a Alumni of our college and career guide to our students Technical knowledge sharing from your side will be helpful for students to cope with recent techniques.

I express sincere gratitude for your cooperation and expecting the same interaction in future also.

Thanking you.

INVITATION LETTER

To,

Mr. Deepak Choudhari,

Senior Design Engineer

John Deere,

Pune.

Date: 3rd November 2022

Subject: Invitation for a seminar on "Career Guidance".

Dear Sir,

We would like to take this chance to inform you that Our Electrical Engineering Department, M.S.Bidve Engineering college, Latur has organized a seminar on "Career Guidance". This program will be held on **November 5th, 2022**. We are inviting you as a speaker in the seminar. We would be greatly honored if you can spare some time from your busy schedule for the seminar.

We are confident that the knowledge which you will share in the seminar will be enriching. We eagerly await your participation in the seminar.

Thanks and regards.

I .

Regards,
Chinmay Pattnayak.

One Day Workshop on “Pathway to Abroad Education”

Organized by

EESA, students' association of Electronics department

Date: 05/12/2022

Location: Function Hall, Main Building.

Taking into consideration the lack of awareness among many students, regarding higher education in renowned foreign universities a workshop was scheduled with Mr.Pande(Branch Director, Interedwise Education Pvt Ltd, Mumbai) as chief guest. He focused on the opportunities of higher education in foreign universities. Also motivated students for higher education according to their interested fields.

Objectives

1. **Awareness of Higher Education:** Students should be made aware of possibilities of higher education abroad.
2. **Basic Requirements:** What are the various screening tests required for abroad education.
3. **Knowledge to be indulged from various courses:** How to apply for various courses during the vacation period.

- **Summary:**

- Students of all classes from 2nd year to final year participated actively and interacted with the Ms Saleena . Also they took some necessary tips and noted it. Even she guided how to and where from to prepare for aptitude test, etc.

10 . Industry-Students Interaction

**Low voltage motors
0.12 kW to 1000 kW
Frame 63 to 450**

■ Industrial Motors ■ Hazardous Area Motors ■ Crane Duty Motors ■
■ Brake Motors ■ Roller Table Motors ■ Cooling Tower Motors ■ Encoder Motors ■

Laxmi Hydraulics Pvt. Ltd. is an ISO 9001 - 2008 company established in 1981 & today is one of the leading manufacturers of Induction Motors for various industrial applications like Machine tools, Textile, Air conditioning, Dairy equipments, Crane & hoist, Pollution control, Aqua-culture, Agriculture, Petrochemical, Fertilizers, Mines and Chemical industries. The range of products includes Standard Motors, Brake Motors, Crane & Hoist Duty Motors, Flame-Proof Motors, Dual Speed Motors, Roller Table Motors, Inverter grade motors to run with VFD's at various frequencies, Encoder Motors and other special motors as per the customer's specifications. At LHP, the quality of the product is an obvious dedicated effort of experienced and trained personnel and well-defined and documented procedures.

The secret of LHP's success lies in fulfilling customers' changing expectations and accepting new challenges for continuous improvements in products and services. LHP believes in adopting and harnessing the latest emerging technology and trends to meet the customer's requirements.

The customers are our driving force, support and inspiration, which motivates us to keep growing and striving for excellence.

With this firm footing, LHP is marching towards the goal of becoming a world-class manufacturer of induction motors.

Plant - A

Plant - B

Product Range

| Motor Type | Frame | Power (kW) | Picture |
|--|--|---------------------------------|---|
| Standard Motors Single phase Three phase | 63 to 100 63 to 450 | 0.18 to 1.5kW 0.12 to 1000kW |  |
| IE2, IE3 & IE4 Motors | 71 to 450 | 0.37 to 375kW |  |
| *Brake Motors | 63 to 250 | 0.12 to 55kW |  |
| Crane & Hoist Duty Motors | 71 to 355 | 0.37 to 315kW |  |
| **Flame-proof Motors (Type Ex 'd') | 63 to 315 | 0.18 to 500kW |  |
| Flame-proof Motors IE2 & IE3 (Type Ex 'd') | 71 to 315 | Up to 500kW | |
| Non-sparking Motors Ex 'nA' (IE1, IE2 & IE3) | 63 to 355 | 0.12 to 500kW |  |
| Increased Safety Motors Ex 'e'(IE2) | 71 to 355 | 0.37 to 500kW | |
| Inverter Duty Motors | 63 to 450 | 0.12 to 1000kW |  |
| Roller Table Motors | 100 to 355 | |  |
| Cooling Tower Motors | 71 to 355 | |  |
| Encoder Motors | 63 to 450 | 0.12 to 1000kW |  |
| Helical Gearmotors : L' Power Series | Power :0.12 to 180kW Speed :0.35 to 560RPM Torque:Up to 60000 Nm | |  |

| | | | |
|--|---|--|---|
| Textile (loom) Motors  As per requirements | Marine Duty Motors  As per requirements | Railway Auxiliary Motors  As per requirements | Multi-speed Motors  As per requirements |
|--|---|--|---|

*Can also be offered in Flame-proof enclosure. **Can also be offered for Gas group IIC upto 250 frame.

One Day Workshop on

"Career Guidance"

Organized by

EESA, students' association of Electronics department

Date: 09/05/2023

Location: Function Hall, Main Building

Number of Students: 70

The interaction session was organised by the ESSA students association, whereby the Manager from Nasscom Foundation, Pune was invited to guide the students on career opportunities especially in the IT industry. He guided the students with various possibilities that the student can opt for to build his/her career in IT industry. Also, mentioned many NPTEL courses which the students can enrol for to get the job in IT.

Objectives

1. **Variant Career in IT:** make aware the students with various opportunities in IT sector.
2. **To provide insights for campus preparation:** Fundamentals of aptitude reasoning, mathematical reasoning and NPTEL courses.
3. **Knowledge to be indulged from various courses:** How to apply for various courses during the vacation period.

To,
 Mr. Muralidhar sir,
 Nasscom Foundation,
 Pune

Subject: Letter of Thanks for Career Guidance.

Respected sir,

I on behalf of our department would like to mention deep sense of appreciation for expert lecture on, "Career guidance" on date 9 May 2023, in our institute. The efforts, guidance and time spent by you for the students are very much admirable. We feel proud as you as a Alumni of our college and career guide to our students. Technical knowledge sharing from your side will be helpful for students to cope with recent techniques.

I express sincere gratitude for your cooperation and expecting the same interaction in future also.

Thanking you.
