- **Soft Skill**
 - **Training Program on Placement by GTT foundation Pune.**

Summary Report for NAAC on MoU between GTT Foundation and M.S.Bidve Engineering College, Latur

Introduction:

This report summarizes the one-year Memorandum of Understanding (MoU) established on September 19, 2022, between GTT Foundation, Pune (Training and Placement Organization), and M.S.Bidve Engineering College, Latur (Institute). The MoU focused on enhancing student employability through aptitude training, future skill development, internship opportunities, and leveraging Corporate Social Responsibility (CSR) initiatives.

MoU Objectives:

The MoU aimed to achieve the following:

- Equip students with essential aptitude skills to excel in placement tests.
- Develop future-oriented technical skills sought after by the industry.
- Facilitate industry internships for practical work experience.
- Leverage GTT Foundation's network and CSR programs to connect students with potential employers.

Outcomes:

GTT Foundation successfully delivered the following within the MoU timeframe:

- **Offline Training Programs:**
 - Java Developer + Aptitude: 163 students participated.
 - Python + Aptitude: 154 students participated.
- **Internship and Placement Facilitation:** 32 Mechanical Engineering students secured internships at Yazaki India Ltd. through GTT Foundation's support.

Overall Performance:

The MoU between GTT Foundation and M.S.Bidve Engineering College has demonstrably benefited students by:

- Strengthening their aptitude for placement tests.
- Equipping them with in-demand technical skills (Java and Python).
- Providing valuable internship experience at Yazaki India Ltd. (for Mechanical Engineering students).

Conclusion:

This successful collaboration between GTT Foundation and M.S.Bidve Engineering College has significantly enhanced student employability. Both parties have fulfilled their obligations under the MoU, resulting in positive outcomes for the students.

Title of Event: ATOS GTT Training Program (Domain + Aptitude)

Date: 31-10-2022 t 06/11/2022

Time: 11 to 2 PM

Venue: B.Tech (CSE) Classroom

Detailed Information:

The ATOS Global Talent Track (GTT) Training Program is a comprehensive initiative aimed at enhancing the employability of students by equipping them with necessary domain-specific knowledge and aptitude skills. This program is aligned with the criteria and objectives of the National Assessment and Accreditation Council (NAAC) to improve the quality of education and training provided by educational institutions.

Objectives

- To bridge the gap between academic learning and industry requirements.
- To enhance students' domain knowledge and technical skills.
- To improve students' problem-solving abilities and aptitude.
- To prepare students for competitive examinations and interviews.

Structure of the Program

The ATOS GTT Training Program consists of two primary components:

1. **Domain Training:** Focused on specific industry sectors such as IT, Finance, Engineering, etc.
2. **Aptitude Training:** Concentrated on improving logical reasoning, quantitative aptitude, and verbal ability.

Domain Training

- **Content:** The domain training covers key concepts, tools, and technologies relevant to the respective industry. For example, IT domain training includes programming languages, software development methodologies, database management, and cybersecurity.
- **Methodology:** The training is delivered through a combination of lectures, hands-on sessions, case studies, and project work. Industry experts and experienced trainers lead the sessions.
- **Assessment:** Students are evaluated through periodic tests, project evaluations, and practical assessments to ensure a thorough understanding of the subject matter.

Aptitude Training

- **Content:** The aptitude training includes modules on logical reasoning, quantitative aptitude, data interpretation, and verbal ability. It also covers test-taking strategies and time management skills.
- **Methodology:** Interactive sessions, practice tests, and group discussions are employed to enhance learning. Emphasis is placed on solving real-world problems and mock tests to simulate actual exam conditions.
- **Assessment:** Regular quizzes and mock tests are conducted to track progress and identify areas for improvement. Feedback sessions help students to work on their weaknesses.

Program Outcomes

- **Enhanced Employability:** Students gain practical skills and knowledge that are directly applicable to their chosen careers, making them more attractive to potential employers.
- **Improved Aptitude Skills:** The training significantly boosts students' problem-solving abilities, logical reasoning, and analytical skills, which are critical for success in competitive exams and job interviews.
- **Industry Readiness:** By aligning training content with industry requirements, students are better prepared to meet the demands of their respective sectors.
- **Higher Placement Rates:** Institutions that have implemented the ATOS GTT Training Program have reported higher placement rates and improved performance in campus recruitment drives.

Feedback and Evaluation

- **Student Feedback:** Regular feedback is collected from participants to continuously improve the program. Students have consistently rated the program highly for its practical relevance and comprehensive coverage.
- **Institutional Feedback:** Colleges and universities have praised the program for its role in enhancing the quality of education and increasing student employability.
- **Continuous Improvement:** Based on feedback, the program is periodically updated to include new technologies, tools, and methodologies to stay relevant with industry trends.

To,
 Mr. Muralidhar sir,
 Nasscom Foundation,
 Pune

Subject: Letter of Thanks for Career Guidance.

Respected sir,

I on behalf of our department would like to mention deep sense of appreciation for expert lecture on, "Career guidance" on date 9 May 2023, in our institute. The efforts, guidance and time spent by you for the students are very much admirable. We feel proud as you as a Alumni of our college and career guide to our students. Technical knowledge sharing from your side will be helpful for students to cope with recent techniques.

I express sincere gratitude for your cooperation and expecting the same interaction in future also.

Thanking you.
